No description provided.

🏷 **pjcross** added the `enhancement` label on Aug 27, 2014

👤 **pjcross** assigned **tshead2** on Aug 27, 2014

tshead2 commented on Sep 19, 2014 | Member

The assumption here is that if an image column referenced a PDF file instead of a PNG or JPEG, that we could find a way to display it.

✏ **tshead2** changed the title from **Add pdf to the types of images for parameter image model** to **Add PDF support to the parameter image model** on Sep 19, 2014

✏ **tshead2** changed the title from **Add PDF support to the parameter image model** to **Add PDF support to the parameter image plus model** on Nov 17, 2014

tshead2 commented on Nov 17, 2014 | Member

Won't fix.
